## A Leader in Workforce Health & Wellness Program Management Since 2001

### Who We Are

*More than a Wellness Company!*

Jeanne Sherwood RN  
 President & Founder

WellAdvantage was founded by Intensive Care Nurse, Jeanne Sherwood. Jeanne's many years of experience in the ICU inspired her to start the company with a mission to prevent disease and preserve quality-of-life for the American workforce.

The Company has grown to serve workforce populations nationwide through pioneering efforts to educate, engage, encourage and empower individuals in the workplace.

The company's clinical foundation has been instrumental in establishing WellAdvantage as an Industry Leader in program design and solutions based on the needs of each workforce population and the individual employee.
