Clinical Best Practices

WellAdvantage has earned a reputation for providing programs based on proven clinical best practices with verifiable results contributing to organizational sustainability.

“WellAdvantage exists to help workforce populations live their lives free from limitations resulting from illness, injury, lack of medical intervention, and unhealthy lifestyles. In all we do, we help people to achieve and maintain the highest level of health and physical function for their lifetime.”

*Jeanne P Hartig, RN
President & Clinical Director*

Our Partners

WellAdvantage works with medium to large size organizations, as well as larger municipalities and carriers. We seek opportunities to partner with organizations to carry out our vision of positively impacting workforce health and improving the bottom line for our clients.
